Established as the Korean American Voters’ Council in 1996, KACE is a non-partisan, not-for-profit organization dedicated to empowering the Korean American community through active civic engagement.

8080 Campaign
KACE conducts a year-round “8080 Campaign” with the goal of increasing Korean American voter registration rates and voter turnout rates to 80%. Since 1996, KACE has assisted over 45,000 voters to register to vote. In the past, KACE has spearheaded efforts to publish Korean language voter registration forms and has participated in exit polls and poll site monitoring. KACE provides year round election information through annually published Primary and General Election guides, in Korean and English, and also operates a voter assistance hotline during every election.

Civic Education
In addition to assisting voters year round, KACE hosts an annual Grassroots Internship program to help the youth define their own Korean American identity and develop important civic leadership skills.

Community Affairs
KACE organizes the Korean American community to protect our rights and resolve any issues. For more information on KACE and our programs, please visit www.KACE.org
