

Established in 1996, **Korean American Civic Empowerment (KACE)** is a non-partisan, not-for-profit organization dedicated to empowering the Korean American community through active civic engagement.

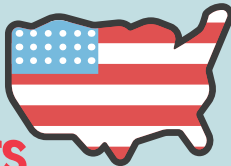

8080 Campaign

Since 1996, KACE has assisted over 45,000 voters to register to vote. KACE spearheaded efforts to publish Korean language voter registration forms and participated in exit polls and poll site monitoring. KACE provides year round election information through annually publishes Primary and General Election guides, in Korean and English, and operates a voter assistance hotline during every election. **Our goal is to increase Korean American voter registration rates and voter turnout rates to 80%.**

Civic Education

In addition to assisting voters year round, KACE hosts an annual Grassroots Internship program to help the youth define their own Korean American identity and develop important civic leadership skills.

Community Affairs

KACE organizes the Korean American community to protect our rights. For more information on KACE and our programs, please visit **WWW.KACE.ORG**
